

## ADDITIONS AND CORRECTIONS

---

1997, Volume 101

**Sergei Gavryushov\* and Piotr Zielenkiewicz:** Electrostatic Potential and Free Energy of Proteins: A Comparison of the Poisson–Boltzmann and the Bogolyubov–Born–Green–Yvon Equations

Page 10906. In the caption to Figure 2, “ $I = 1\text{ M}$ ” should read “ $I = 0.5\text{ M}$ ”.

Pages 10906–10908. In Figures 4–7, “square root of ionic strength” should read “square root of doubled ionic strength”.

Pages 10905–10908. Values of the square root of the doubled ionic strength are given in the text instead of proper values of ionic strength.

Published on Web 10/01/1998

1998, Volume 102B

**Mitsuhiro Hirai\* and Toshiharu Takizawa:** Reply to Comment on “Thermotropic Structural Change of Disialoganglioside Micelles Studied by Using Synchrotron Radiation Small-Angle X-ray Scattering”

Page 3064. Due to an error in the printing process, the page number in reference 1 was not updated. The page number should be 3060.
